

Liberty Tire Recycling, LLC
United States Unilateral Price Policy

Effective: **April 18, 2022**

We recognize that our high-quality Resellers invest time and resources to deliver an extraordinary customer experience through knowledgeable staff and compelling presentation. To support our Resellers' efforts, Liberty Tire Recycling, LLC ("Liberty Tire") has established policies that allow its Resellers to earn the profits necessary to maintain the high level of customer excellence people have come to expect from Liberty Tire Resellers.

In order to successfully compete in the marketplace and to maintain its premium brand image, Liberty Tire has announced this Unilateral Price Policy ("Unilateral Policy" or "Policy"). Hereafter, all sales from Resellers to End Users of products set forth in Liberty Tire's *Unilateral Price Grid* (attached) inside the United States shall be subject to this Unilateral Policy.

Liberty Tire's products covered and their coordinating minimum prices are set forth in the *Unilateral Price Grid* which shall be delivered or otherwise made available by Liberty Tire to the Reseller. Liberty Tire reserves the right from time to time to alter, modify, suspend, or cancel this Unilateral Policy, the products covered, and/or the minimum resale prices.

This Policy does not restrict the Reseller's right to establish independent advertised and/or resale prices of Liberty Tire products. Liberty Tire reserves the right to determine whether a Reseller has advertised Liberty Tire products at a net advertised price less than the minimum advertised price established in this Unilateral Policy. Upon such determination Liberty Tire may, without assuming any liability, cancel all orders and may indefinitely refuse to accept new orders from the Reseller.

This Policy has been unilaterally adopted by Liberty Tire. Liberty Tire neither solicits nor will it accept assurances by a Reseller of acquiescence with this Policy. Nothing in this Policy shall constitute an agreement between Liberty Tire and any Reseller of compliance with this Policy. The Reseller within its own discretion can choose to acquiesce or not acquiesce with this Policy. Liberty Tire will not discuss conditions of acceptance related to this Policy. This Policy is non-negotiable and will not be altered, modified, or amended for any Individual Reseller.

Combining a product(s) from the *Unilateral Price Grid* with any other product or service for a sale price lower than the combined price of what the two (2) products or services could be purchased independent of each other shall not constitute acquiescence with Liberty Tire's Unilateral Policy.

The issuance of non-Liberty Tire announced rebates (in any form) on a product(s) listed in the *Unilateral Price Grid* shall not constitute acquiescence with Liberty Tire's Unilateral Policy.

Advertising that requests the End User to "see price in cart," "click to see price," "add to cart for best price," or presents "Why we do not show a price?" or a price that is struck through, no price listed, or any language or graphic representation that implies, or from which the End User can infer, that the End User click through to the cart to see a price lower than that set forth in the *Unilateral Price Grid* shall not constitute acquiescence with Liberty Tire's Unilateral Policy.

The offer of free shipping or financing on product(s) in the *Unilateral Price Grid* shall constitute acquiescence with Liberty Tire's Unilateral Policy.

Liberty Tire, from time to time within its sole discretion, may announce promotion prices and bundles of the products listed in the *Unilateral Price Grid* which shall constitute acquiescence with Liberty Tire's Unilateral Policy.

Liberty Tire's sales personnel have no authority to modify or grant exceptions to this Policy. All questions regarding interpretation of this Policy should be directed to the Liberty Tire Policy Coordinator at: uppolicyadmin@libertytire.com.

Effective: April 18, 2022

United States Unilateral Price Grid
